# Earth Vital Transform Your Urban Garden

Transform struggling herbs and container vegetables into lush mini-farms

## Bring Nature To Your Urban Space

Earth Vital is the perfect companion for your rooftop garden, balcony oasis, or vertical growing system—a scientifically formulated microbial solution that brings the power of nature to city living.

### Urban Gardening Simplified

#### Compact Spaces, Maximum Results

Perfect for containers, vertical systems & small plots

#### Less Maintenance, More Growth

Reduces watering frequency & fertilizer needs

#### Healthier Plants, Naturally

No harsh chemicals in your living space

#### From Seed to Harvest

Supports the entire growing cycle in urban environments

### Easy Application For Busy Urbanites

- **MIX** – Dilute 10ml Earth Vital in 1L water
- **APPLY** – Add 50ml solution per kg of potting mix
- **GROW** – Enjoy healthier plants with less effort

(Just 5 minutes every 2-3 weeks for thriving urban plants)

## Stylish & Sustainable Urban Gardening

Earth Vital helps you create a thriving green space that's as beautiful as it is productive—bringing the benefits of nature into your urban lifestyle without the hassle.

# Perfect For City Gardening

Urban Gardening Challenge	Earth Vital Solution
Limited Space	Maximizes yield in containers & vertical systems
Poor Quality Potting Soil	Revitalizes growing medium with beneficial microbes
Frequent Watering Needs	Improves moisture retention by up to 40%
Pest Problems	Strengthens natural plant defenses
Weak Growth in Low Light	Enhances nutrient uptake even in challenging conditions

## Ideal For Your Favorite Urban Crops

- Intensifies aroma and essential oil content
- Extends harvest period with continuous growth

- Boosts nutrient density and crispness
- Reduces bitterness even in summer heat

- Improves fruit set in limited spaces
- Enhances flavor and sweetness

- Accelerates growth cycles
- Increases nutrient concentration

- Promotes vibrant blooms and extended flowering
- Strengthens stems in windy rooftop conditions

### Living Soil, Thriving Crops
